

Pandora Star

- **Brainwave Entrainment**
 - Reduces Stress
 - Improves Sleep
- **Promotes Greater Clarity**

How does it Work

It is a lamp invented in the UK, with 12 LED's. You sit in front of a flashing lamp, with headphones, with your eyes safely closed. Master glands in your brain are stimulated by light and sound (Solfeggio frequencies). Your 3rd eye opens into a kaleidoscope of colors and sacred geometry, taking you into a deep Zen meditative state in 10 mins.

Benefits

- Reduced anxiety & stress
- More restful sleep
- Improved physical health
- Enhanced creativity
- Enhanced intuition
- Deep meditation
- Increased sense of calm
- Breakthrough performance in work, study, exams, sales, sports & other applications
