information

## BRIEF INFORMATION

The therapy sessions at Infinity Wellness Solutions involves two unique equipments (**Far Infrared Sauna** and **Valkion Singlet Oxygen Energy**). Both of these systems operate together, having a synergist effect and result to mak you feel great and enjoy the positive benefits of DUAL therapy in the one treatment session. Book in for a single session and feel the difference after.

We have package rates so you can enjoy the benefits of purchasing bulk sessions in advance.

With each session we provide a complimentary ginger tea on arrival, in house water if required, and complimentary alkalising/electrolyte drink. You can also purchase our sunlighten bamboo carbon towels for use during and after the sauna.

As another option and added benefit try our special package using Lymphatic massage and Far Infrared Sauna/Valkion Singlet Oxygen Therapy. For more information on each of our therapies, packages and benefits ask our reception for a detailed information.
